Chris,

I just wanted to take a minute and thank you and all of your guys for the help fixing the roof at the Fostering Bulloch Clothes Closet. For years I have thought the roof was a lost cause and not worth the effort. You have proven me wrong on that front!!

This facility serves around 1500 children a year and countless adults helping to meet clothing and bedding needs in some pretty tough living conditions. Now that the roof doesn't leak we will be able to utilize areas of the building that used to be off limits to us.

Thank you for your time, effort, knowledge and help with the costs on this project.

Thank You!!

Sincerely,

Chris Vaughn
